

Round 2 saw the year 10 footy boys come up against De La Salle College at Elderslie Reserve. After coming off a 150 point win in round 1, the boys were eager to get back out the field and battle it out with our new competition.

With a few boys out, we had 8 new boys coming into the team for their debut which was excellent to see. When we stepped out on to the ground against some big boys from De La Salle, we knew that it wouldn't be a walk in the park.

In the first quarter we got off to a good start getting the ball out of the middle well with some brilliant work from Jack Brogden and big Fraser Toohey as deep forward. At quarter time we had a comfortable 19 point lead.

In the second quarter we continued to pick up where we left off in the first using the footy well around the ground and we showed that on the score board, extending our lead to 50 points.

As the third quarter came we headed out to the ground in a confident manner not expecting what was to come. De La Salle kicked 5 goals in a row, kicking the ball long to their big forwards and finding loose men which our backs couldn't get to. We were still able to kick some goals but the lead was cut down to 33 and the De La Salle boys were up and about and feeling confident.

We went into the fourth quarter with belief that we could get the win, and we did exactly that with a great team effort across the ground. The end result was 97-48, putting another 4 points against our name on top of the ladder and showing our skill to the year 10 ACC teams.

The stand out player was Jack Brogden, but apparently not good enough to award him a 10/10 from Holty. Aaron Stone (1 goal), David Handley (4 goals), Brayden Ham (1 goal), Jack Hodgson and Zac Walter also played great games putting themselves in the B.O.G. Another good win from the Joeys boys before next week's 2014 Grand Final rematch against Parade College at home.
